

Warranty

Parkland Plastics, Inc. (hereinafter referred to as "Parkland") SpectraTile ceiling products are warranted to be free from defects in materials or factory workmanship, or water absorption, water staining, sagging and warping, or mold and mildew growth as a result thereof, for a period of 10 years from the date of installation (except for defects in materials or factory workmanship which are obvious upon initial inspection, for which Parkland must be notified within 30 days of the date of installation). This limited warranty is subject to further conditions outlined below.

Installation of the products should be carried out at a temperature close to the normal temperature of the room, if possible, but in no case should the temperature exceed 105 degrees F.

Installations subjected to abuse, neglect, or catastrophe are not the responsibility of Parkland.

Claim for refund or replacement should be made to the vendor from whom the material was purchased. This warranty applies to reimbursement or replacement of Parkland products only, and specifically excludes payment of costs of any other kind related to the original or replacement installation. Parkland shall not be liable for incidental or consequential damages.
